

Generally Junior Coaches are defined as:

- Full time students (school or university).
- Playing for the Wolves in the competition.
- Coaching another team (or teams) in the competition.

If the Junior Coach is under 18 years old, please can these forms be completed by their Parent or Guardian.

Please note: Both forms must be completed.

- **The first form enables the Wolves to make the payment.**
- **The second is a legal declaration that the coach is a volunteer, and not operating a business.**
